

Project Coordinator News:

Hi, I am Lee Epperson, and I will be serving as your new Project Coordinator. I am so excited that we have opportunities to do hands-on projects at home or with other ladies at church and make an impact on the other side of the world!

Jo has given us an update on the shipment from last year: “The 2023 shipment arrived at Bongolo around the first week of June, but a lot of the missionaries were on either home assignment or vacation, so things didn’t get put away until late June-July. There were very grateful for all the items received.” In December, Jo also sent a shipment of 86 Mama Packs to the Koutiala Hospital in Mali. Thank you to all who participated in these vital ministries.

We will continue to collect the following donations: sterilization wraps, OR & maternity table covers, rolled sheet bandages, and Mayo stand covers. (They have indicated that they have enough sanitary pads and a lot of Mama Packs).

I look forward to serving you over the next several years.
